

Remarks/Arguments

This is a reply to the action dated January 11, 2010.

On the first page of the listing, field <160> identifies the total number of sequences in the listing. It was inadvertently not updated when two sequences were added in the October 21 amendment. The value of this field has been corrected to "68".

A sequence listing in text format containing the above change is filed herewith.
No new matter is contained in the text file.

Respectfully submitted,

/Charles Fallow/
